

Callouts 2013

“Full Page” means that all of the Lake District Mountain Rescue Search Dogs were paged to attend. **“FOUND”** means that the dog team found the casualty with no prior knowledge as to his/her location. **“LOCATED”** indicates that the Team or dog handler had a rough idea where the missing person(s) was.

No	Date/ Time/ Teams/ Area	Search Dogs	Details	Outcome
1	01 Jan 0030hrs COCKERMOUTH MRT Full Page Stood down 0150hrs	Ginny (Note time and date of callout!)	Cockermouth MRT requested dogs to attend a callout for a missing person near the river.	The missing person was found as the searchdog handler was being briefed at MRT Base.
2	01 Jan 1700hrs PATTERDALE MRT Local Dogs Only Stood down 2130hrs	Moss	Patterdale MRT were called to assist two walkers, who reported themselves lost, without torches, approximately 4km from Brotherswater	The walkers were LOCATED on the Scandale Pass by Searchdog Moss (Mike Blakey) and escorted off the hill.
3	05 Jan 1518hrs COCKERMOUTH MRT Local Dogs Only Stood down 1700hrs	Jake, Fly	Cockermouth MRT were called to search for walker lost in mist in Carling Knott/Blake fell area.	The missing person was found by CMRT members on the summit of Carling Knott.
4	06 Jan 1645hrs PENRITH MRT Local Dogs Only Stood down 2200hrs	Searchdog Dottie, Corrie, Moss	PMRT were tasked to look for a couple and their dog lost in mist somewhere in the Riggindale Straits area of High Street in gale force winds and very poor visibility. The mispers did not have a torch.	A wide ranging search (assisted by Patterdale MRT) resulted in the mispers being LOCATED by Searchdog Moss (Mike Blakey) near Rest Dodd.

5	13 Jan 1600hrs KENDAL MRT Local Dogs Only	Ani, Keppi	Two female walkers reported themselves as lost in darkness without a torch somewhere near Kentmere	One dog team started at Kentmere Reservoir heading north covering the area below Gavel Crag. The second team left the Reservoir and headed up to Nan Bield Pass, then over Mardale Ill Bell and the runners track towards the area above Gavel Crag. The casualties were found in the area just above Gavel Crag by team members just as the dog team were arriving.
6	18 Jan 1600hrs BRAEMAR MRT PMR Team dogs only	Moss, Corrie	Braemar MRT requested assistance from Patterdale MRT, who were training in the area, to be placed on standby to assist with an avalanche in Glencoe.	The teams were stood down as they were about to be airlifted, after bodies were found at the scene. FATAL
7	20 Jan 1530hrs LANGDALE AMBLESIDE MRT Duddon & Furness MRT Local Dog Only Stood down 1925hrs	Skye	A man contacted the Police control room stating he had severe fatigue somewhere on Crinkle Crag.	LAMRT and Duddon and Furness MRT were alerted to search for the missing person. Teams ascended various routes and the misper was located just as the dog team was deploying.
8	11 Feb 0600hrs CAIRNGORM MRT Dogs at Winter Training Stood down 1245hrs	Corrie, Meg, Einich, Beck, Keppi, Ani, Fly; Plus searchdog Finn from SARDA England.	The Lakes Dogs were training in the Cairngorm area when requested to assist with the search for a university group of 5 descending from top of Stob Coire an t-Sneachda.	The dog teams searched from the Sugar Bowl car park through to Rothiemurchus Forest to Allt a Chaire Chais. Although 4 of the group were found safely, 1 member of the group died when he became separated from the others.

<p>9</p>	<p>14 Feb 1245hrs CAIRNGORM MRT Dogs at Winter Training</p> <p>Stood down 1710hrs</p>	<p>Corrie, Meg, Einich, Beck, Keppi, Ani; plus Searchdogs Millie, Moudy from SARDA Scotland and Finn from SARDA England.</p>	<p>The Lakes Dogs were training in the Cairngorm when requested to assist with the search for 3 persons reported caught in an avalanche in the Chalamain Gap area .</p>	<p>Some of the dogs and their handlers, as well as assessors and bodies who are Mountain Rescue personnel made their way to the avalanche site. One of the casualties was FOUND by Search Dog Corrie. Sadly despite the rescue efforts, all three casualties died.</p>
<p>10</p>	<p>16 Feb 1930hrs LANGDALE/AMBLESIDE MRT Local dog only</p> <p>Stood down 2300hrs</p>	<p>Kitt</p>	<p>A couple were unable to find their way off Steel Fell due to snow, mist and darkness.</p>	<p>Searchdog Kitt and her handler were tasked with searching up to the summit of Steel Feel - the couple were well equipped, including having a torch. Just as the handler saw a torch light, Search Dog Kitt (Olly Benson) caught their scent and LOCATED them. They were warmed with spare clothing and hot drinks before being escorted off the fell.</p>
<p>11</p>	<p>16/17 March 2330hrs KENDAL MRT Restricted page Stood down 0047hrs</p>	<p>Keppi, Ani, Meg</p>	<p>A 69 yr old bi polar sufferer was reported as missing from Westmoreland General, Kendal.</p>	<p>Kendal MRT and dogs were about to deploy when they were advised that the man had been reported safe and well in a hospital in London.</p>
<p>12</p>	<p>16 May 2330hrs KESWICK MRT Full Page</p> <p>Stood down at 0250 – 17th May</p>	<p>Ginny, Meg, Ani, Beck, Moss, Keppi</p>	<p>A single vulnerable male was reported as missing for 24 hours near Derwentwater.</p>	<p>Dog handlers were asked to search the edge of the lake and associated woodland. Nothing was found by 0250hrs and the search was called off. Police found the missing person safe and well the following day at a local campsite.</p>
<p>13</p>	<p>23 May 1845hrs COCKERMOUTH MRT Full page Stood down 1945</p>	<p>Dottie, Ginny, Keppi, Beck, Fly, Corrie, Jake, Meg.</p>	<p>A single male was reported as missing after going for a walk in the Wythop fell area</p>	<p>Dog handlers and Cockermouth MRT members were just deploying when a team member reported he had found the body of a male. FATAL.</p>

14	4 June 1926hrs KESWICK MRT Local dogs only Stood down 2040hrs	Ginny, Beck, Corrie, Jake	A male was reported as missing from a car which had been parked near Dob Gill, Keswick for some days. Local dog teams were training nearby and were able to respond to scene quickly.	After a fairly short search, the missing man was FOUND by Search Dog Ginny (Mick Guy) . He was badly sunburnt, dehydrated and suffering from severe depression. He was escorted from the hill and taken for treatment.
15	26 June 1500 PENRITH MRT Full page Stood down 2015hrs	Ted, Einich, Meg, Keppi, Corrie, Jake, Fly, Skye, Rosie, Ginny	A 12 year old boy was reported missing from his home before setting off for school in the Armathwaite area - the Police carried out an initial search of the area, but later called in Mountain Rescue to assist with Woodland and river searching.	There was an extensive search carried out by 3 mountain rescue teams and the dog teams. The boy was found safe by a member of the public.
16	15 July 2228hrs WASDALE MRT Local dog only Stood down AM 16 July	Ollie	2 females had become separated from their party on a walk up Scafell and failed to rendezvous. The search was not commenced until the early morning of the 16 th , as there was not initially enough information to go on	The dog team was part of sweep search on Round How ridge in Eskdale. The ladies were found between lower slopes of Slight Side and High Scarth Crag and airlifted from the fellside by a Sea King from RN Gannet.
17	4 Aug 1830hrs PATTERDALE / KESWICK MRT Local dogs only Stood down 2100hrs	Searchdogs Moss, Corrie, Ginny	A family of 8 including 5 children reported themselves as lost and cold in mist on Helvellyn, and were not sure which side they were descending.	Keswick and Patterdale teams manned searches from their own sides, and the missing group were located by a Keswick Team member and Search Dog Ginny on the Swirls to Brown Cove Crags path. They were escorted from the hillside.
18	4 Aug 2120hrs KENDAL MRT Full page Stood down 0750hrs 5 Aug	Keppi, Jake, Einich, Sam, Skye, Ted.	A vulnerable 59 year old woman was reported as missing from home in the Helsington area.	A comprehensive search was carried out in the area. The missing person was found and treated for hypothermia.

19	6 Aug 2050hrs CONISTON MRT Full page Stood down 0130hrs	Beck, Bute, Corrie, Dottie, Einich, Ginny, Keppi, Meg, Moss, Sam, Skye, Ted.	Dog teams were asked to assist with a search for a possible despondant male in the Grizedale forest area.	A comprehensive search was carried out with no success - Police enquiries were continued.
20	11 Aug 1100hrs PENRITH MRT Full page Stood down 1900hrs	Beck, Dottie, Einich Ginny, Keppi, Meg, Skye, Ted	Penrith Team requested dogs to assist with a search for an elderly man, missing from home in the Wetheral area of Carlisle.	The dog teams and Penrith team members carried out an extensive search of river banks and wooded areas in a number of key areas. The missing person was not found at this time and police enquiries were continued.
21	12 Aug 0430hrs MOFFAT MRT Full page Stood down 1130hrs	Einich, Beck, Kitt, Corrie (Dottie en route)	Lakes dog teams were requested to assist in a search for a missing 83 yr old lady near Hawick.	2 dog teams were delayed en route to the search as they were 1st on the scene of a serious motorway RTC where they provided initial first aid. The other dog teams commenced searching - the body of the missing person was recovered from a water source – FATAL
22	12 Aug 0930hrs PENRITH MRT Local dog only Stood down 1200hrs	Dottie	This was a continuation of the search for the missing 78 year old from Wetheral.	Following further discussions with the police a small scale search involving Penrith and Kirkby Stephen teams was commenced in the Town Head Woods area. The missing person returned home as team members and dog team were concluding their search.
23	8 June 2046hrs DUDDON & FURNESS MRT Full pages Stood down 2320hrs	Skye, Sam, Ani, Bute, Einich, Beck	A 38 year old man was reported as having been missing for 24 hours. <p>45</p>	<p>18 Oct 1745hrs Langdale / Ambleside MRT Local Dogs Stood Down 1930hrs</p>	<p>Ted</p>	<p>The Team were tasked to search for a missing 33 yr old male, after he failed to meet up his walking partner, having become separated on the hill</p>	<p>MRT was tasked with searching roads in Little Langdale, Great Langdale, 3 Shires Area, Oxendale and Blea Tarn. The Dog Team was tasked with searching the footpath onto the summit of Pike O'Blisco. The missing male was located at bus stop near Old Dungeon Ghyll !</p>
<p>46</p>	<p>24 Oct 1909hrs Keswick MRT RAF MRT Full Page</p> <p>Stood Down 2215hrs</p>	<p>Beck, Fern, Ginny,Meg,Ted</p>	<p>A 75yr old male dementia patient had walked away from his carer in the centre of Keswick. The gentleman was local, an ex-fellrunner and walker, with extensive knowledge of the local area.</p>	<p>Various areas around Keswick were searched by Dog teams, Keswick MRT, RAF MRT and the Police. While searches were in progress, various sighting were also reported which indicated that the gent was still moving about. He was located safe and well by RAF MRT on a road leading to the A66.</p>

47	26 Oct 1412hrs Keswick MRT Local Dogs Stood Down 1500hrs	Beck, Ginny	A 48yr female vertigo sufferer did not like the descent route down Rottenstone Gill, She separated from the group to find another route down, and made an arrangement to meet up in Rosthwaite. Team alerted after she had not been seen for 2hrs, and given her condition, it was decided to mount a swift search to find her.	The lady arrived at the meeting point safe and well not long after the alarm was raised. Other search Dog Teams en route down Borrowdale to deployment areas were stood down.
48	05 Nov 1707hrs Coniston MRT Local Dogs Stood Down 1950hrs	Bute, Einich	Coniston MRT were called to assist a 42yr old female who had slipped while walking her dog on Coniston Old Man, and was unable to move. She gave an approximate description to her location.	Team members performing a hasty search found the lady as dogs were about to start searching.
49	06 Nov 1331hrs Coniston MRT Local Dog Stood Down 1405hrs	Bute	Coniston MRT were requested to search for a missing 73yr old female, who had become separated from her walking group 'on a fell above A593' (which turned out to be Latterbarrow). She had not been seen for 2hrs.	One of the Team's Search Dogs began to search the route of the group from the roadside back to summit of Latterbarrow. Lady was located by the MR Team using the SARLOC system.
50	10 Nov 1554hrs Langdale Ambleside MRT Local Dogs Stood Down 2130hrs	Kitt, Skye	LAMRT were called to assist a pair of walkers who had got into difficulty, initially on the summit of Harrison Stickle. They were unable to locate a safe way off the summit in poor visibility.	They were given directions off the top and a small group of MRT sent to meet them as they had no torches and daylight was failing. Before they could be located by Team Members they missed the path again, then becoming cragfast on steep ground, with darkness adding to the poor visibility. They were eventually located and evacuated to safe ground. Team Members located the pair as the Search Dogs were in transit to start point.

<p>51</p>	<p>10 Nov 1919hrs Keswick MRT Full Page Stood Down 2359</p>	<p>Ginny, Beck, Jake, Fern, Meg, Kitt, Keppi</p>	<p>A 44yr old experienced mountaineer failed to return from a scrambling expedition to Cam Crag Ridge and Glaramara. He had left a detailed route with his father, and the Team decided that the ground he was on posed risks which suggested he might have come to harm. (NOTE – Leaving a route card contributed to his survival)</p>	<p>Person was found by Keswick MRT, after the casualty heard voices and saw a search dog’s light, and called out.. The casualty had multiple serious injuries. He was treated on scene, then flown to hospital in Newcastle by Royal Navy Seaking. Search dog handlers assisted with the securing of the casualty site and movement of equipment.</p>
<p>52</p>	<p>14 Nov 1825hrs Langdale/Ambleside MRT Local Dogs Stood Down 2030hrs</p>	<p>Kitt, Skye</p>	<p>A 77yr old man was reported overdue by his wife after going for a walk in the Alcock Tarn area.</p>	<p>Small search teams including dogs were rapidly deployed to search the popular walking paths around Alcock Tarn. The missing man was located by team members, off the path and with no torch. He was safe and well. The Team then walked the man back down to safety and returned him to his wife in Grasmere.</p>
<p>53</p>	<p>18 Nov 1859hrs Kendal MRT Full Page Stood Down 2030hrs</p>	<p>On scene: Fern, Ted, Skye En route: Keppi, Beck, Ginny</p>	<p>Police called local MRT to a missing 43yr old male in the Staveley in Cartmel, Newby Bridge area.</p>	<p>Kendal MRT began to assemble people and search dogs at a RV for a potential search. Police were gathering details and conducting their initial searches. There had been sightings of the missing man in a local hotel. Police then stood MRT and Dogs down. The Missing male was located by police shortly afterwards, walking down a country lane at Backbarrow.</p>

<p>54</p>	<p>21 Nov 1730hrs Langdale/Ambleside MRT Local Dog</p> <p>Stood Down 1900hrs</p>	<p>Kitt</p>	<p>A foreign tourist walking between Ambleside and Grassmere had phoned in to say that she was off route and lost.</p>	<p>The lost person's phone was tracked by SARLOC, and gave her position as somewhere on the path from Rydal to Nab Scar. LAMRT already had some of its Search Dogs and Handlers deployed/assisting on other rescues. Search Dog Kitt/Olly were tasked to locate and retrieve the lost person. She was located safe and well by Search Dog Kitt, and escorted down to a waiting vehicle, and on to the MRT Base.</p>
<p>55</p>	<p>22 Nov 0800hrs Penrith MRT Patterdale MRT Kendal MRT Full Page</p> <p>Stood Down 0835hrs</p>	<p>Dottie, Keppi, Ani, Ted, Fern, Ginny</p>	<p>3 missing males were reported lost in the area of Mosedale Cottage, Wetsleddale. They had been out since 1900 the previous night, in very wet and cold conditions. One was suspected hypothermia case.</p>	<p>The group were located by Penrith MRT members who had been out searching most of the night.</p> <p>Search Dogs involved were recalled whilst en route to search areas.</p>
<p>56</p>	<p>22 Nov 1930hrs Langdale/Ambleside MRT Local Dog</p> <p>Stood Down 0230hrs</p>	<p>Ted</p>	<p>A search for a group of 5 people missing on top of the Crinkle Crag.</p>	<p>Missing group were located by Search Dog Ted (Roger Pickup) at 2330hrs in very steep ground below Long Top. Dog Team and Team Member followed whistles. Missing group were walked out to safety by Handler and MRT via Mosedale, Cockley Beck.</p>

<p>57</p>	<p>29 Nov 1640hrs Langdale/Ambleside MRT Local Dog Stood Down 1930hrs</p>	<p>Skye Kitt (en route)</p>	<p>A family of 3 were reported to be benighted on the Wansfell ridge, due to failing light, very poor visibility and navigational miscalculation,</p>	<p>The MRT were able to acheive an approximate SARLOC position and dispatched two small search parties (one from Ambleside, one from Troutbeck). The search group including Search Dog/Handler spotted a light and heard shouts, and were then guided into the family's position. The family were given warm clothing and hot drinks on the hill, then walked back to safety and a waiting MRT vehicle.</p>
<p>58</p>	<p>6 Dec 2230hrs Langdale/Ambleside MRT, RAF Leeming MRT Full Page</p> <p>Stood Down 0630hrs (07.12.2014)</p>	<p>Skye, Beck and Corrie</p>	<p>A solo male walker was reported missing by his wife after he failed to return to his car after a day out walking. His intended route was over Pike O'Blisco and Crinkle Craggs.</p>	<p>LAMRT and search dogs teams searched the popular routes from Langdale over the intended route, while RAF Leeming were tasked to search the Lincove Beck area. High winds, driving rain, sleet, hail and streams in spate with melt water made for challenging conditions. This search was stood down at 0630hrs, to resume at 'first light'.</p>
<p>59</p>	<p>7 Dec 0700hrs Langdale/Ambleside MRT, Kendal MRT Full Page</p> <p>Stood Down 0847hrs</p>	<p>Ted, Ani, and Ginny</p>	<p>A continuation from the previous night's search areas.</p>	<p>The missing male phoned the police stating that his was safely down from the mountains, from a farm house in Seathwaite, Borrowdale. Search Dogs teams were stood down while waiting to be deployed, or en route. It transpired that the misper had made some "navigational errors" and had found shelter for the night in the stretcher box at Sty Head. At 0650hrs he then made his way down to the nearest phone at Seathwaite.</p>
