<b>49</b>	06 Nov 1331hrs <b>Coniston MRT</b> Local Dog  Stood Down 1405hrs	Bute	Coniston MRT were requested to search for a missing 73yr old female, who had become separated from her walking group 'on a fell above A593' ( which turned out to be Latterbarrow). She had not been seen for 2hrs.	One of the Team's Search Dogs began to search the route of the group from the roadside back to summit of Latterbarrow. Lady was located by the MR Team using the SARLOC system.

<p><b>50</b></p>	<p>10 Nov 1554hrs  <b>Langdale Ambleside MRT</b>  Local Dogs  Stood Down 2130hrs</p>	<p>Kitt, Skye</p>	<p>LAMRT were called to assist a pair of walkers who had got into difficulty, initially on the summit of Harrison Stickle. They were unable to locate a safe way off the summit in poor visibility.</p>	<p>They were given directions off the top and a small group of MRT sent to meet them as they had no torches and daylight was failing. Before they could be located by Team Members they missed the path again, then becoming cragfast on steep ground, with darkness adding to the poor visibility. They were eventually located and evacuated to safe ground.  Team Members located the pair as the Search Dogs were in transit to start point.</p>
<p><b>51</b></p>	<p>10 Nov 1919hrs  <b>Keswick MRT</b>  Full Page  Stood Down 2359</p>	<p>Ginny, Beck, Jake, Fern, Meg, Kitt, Keppi</p>	<p>A 44yr old experienced mountaineer failed to return from a scrambling expedition to Cam Crag Ridge and Glaramara. He had left a detailed route with his father, and the Team decided that the ground he was on posed risks which suggested he might have come to harm. (NOTE – Leaving a route card contributed to his survival)</p>	<p>Person was found by Keswick MRT, after the casualty heard voices and saw a search dog’s light, and called out. The casualty had multiple serious injuries. He was treated on scene, then flown to hospital in Newcastle by Royal Navy Seaking. Search dog handlers assisted with the securing of the casualty site and movement of equipment.</p>
<p><b>52</b></p>	<p>14 Nov 1825hrs  <b>Langdale/Ambleside MRT</b>  Local Dogs  Stood Down 2030hrs</p>	<p>Kitt, Skye</p>	<p>A 77yr old man was reported overdue by his wife after going for a walk in the Alcock Tarn area.</p>	<p>Small search teams including dogs were rapidly deployed to search the popular walking paths around Alcock Tarn. The missing man was located by team members, off the path and with no torch. He was safe and well. The Team then walked the man back down to safety and returned him to his wife in Grasmere.</p>
<p><b>53</b></p>	<p>18 Nov 1859hrs  <b>Kendal MRT</b>  Full Page  Stood Down 2030hrs</p>	<p>On scene: Fern, Ted, Skye   En route: Keppi, Beck, Ginny</p>	<p>Police called local MRT to a missing 43yr old male in the Staveley in Cartmel, Newby Bridge area.</p>	<p>Kendal MRT began to assemble people and search dogs at a RV for a potential search. Police were gathering details and conducting their initial searches. There had been</p>

				sightings of the missing man in a local hotel. Police then stood MRT and Dogs down. The Missing male was located by police shortly afterwards, walking down a country lane at Backbarrow.
<b>54</b>	21 Nov 1730hrs <b>Langdale/Ambleside MRT</b> Local Dog  Stood Down 1900hrs	Kitt	A foreign tourist walking between Ambleside and Grassmere had phoned in to say that she was off route and lost.	The lost person's phone was tracked by SARLOC, and gave her position as somewhere on the path from Rydal to Nab Scar. LAMRT already had some of its Search Dogs and Handlers deployed/assisting on other rescues. Search Dog Kitt/Olly were tasked to locate and retrieve the lost person. She was located safe and well, escorted down to a waiting vehicle, and on to the MRT Base. <b>LOCATE: Kitt &amp; Olly Benson</b>
<b>55</b>	22 Nov 0800hrs <b>Penrith MRT</b> Patterdale MRT Kendal MRT Full Page  Stood Down 0835hrs	Dottie, Keppi, Ani, Ted, Fern, Ginny	3 missing males were reported lost in the area of Mosedale Cottage, Wetsleddale. They had been out since 1900 the previous night, in very wet and cold conditions. One was suspected hypothermia case.	The group were located by Penrith MRT members who had been out searching most of the night.  Search Dogs involved were recalled whilst en route to search areas.
<b>56</b>	22 Nov 1930hrs <b>Langdale/Ambleside MRT</b> Local Dog  Stood Down 0230hrs	Ted	A search for a group of 5 people missing on top of the Crinkle Crag.	Missing group were located by Search Dog Ted (2330hrs) in very steep ground below Long Top. Dog Team and Team Member followed whistles. Missing group were walked out to safety by Handler and MRT via Mosedale, Cockley Beck. <b>LOCATE: Ted &amp; Roger Pickup</b>
<b>57</b>	29 Nov 1640hrs <b>Langdale/Ambleside MRT</b> Local Dog Stood Down 1930hrs	Skye Kitt (en route)	A family of 3 were reported to be benighted on the Wansfell ridge, due to failing light, very poor visibility and navigational miscalculation,	The MRT were able to achieve an approximate SARLOC position and dispatched two small search parties (one from Ambleside, one from

				Troutbeck). The search group including Search Dog/Handler spotted a light and heard shouts, and were then guided into the family's position. The family were given warm clothing and hot drinks on the hill, then walked back to safety and a waiting MRT vehicle.
<b>58</b>	6 Dec 2230hrs <b>Langdale/Ambleside MRT,</b> RAF Leeming MRT Full Page  Stood Down 0630hrs (07.12.2014)	Skye, Beck and Corrie	A solo male walker was reported missing by his wife after he failed to return to his car after a day out walking. His intended route was over Pike O'Blisco and Crinkle Craggs.	LAMRT and search dogs teams searched the popular routes from Langdale over the intended route, while RAF Leeming were tasked to search the Lincove Beck area. High winds, driving rain, sleet, hail and streams in spate with melt water made for challenging conditions. This search was stood down at 0630hrs, to resume at 'first light'.
<b>59</b>	7 Dec 0700hrs <b>Langdale/Ambleside MRT,</b> Kendal MRT Full Page  Stood Down 0847hrs	Ted, Ani, and Ginny	A continuation from the previous night's search areas.	The missing male phoned the police stating that he was safely down from the mountains, from a farm house in Seathwaite, Borrowdale. Search Dogs teams were stood down while waiting to be deployed, or en route. It transpired that the misper had made some "navigational errors" and had found shelter for the night in the stretcher box at Sty Head. At 0650hrs he then made his way down to the nearest phone at Seathwaite.
<b>60</b>	15 Dec 1847hrs Police <b>Cockermouth MRT</b> Local Dogs Stood Down 1940hrs	Ginny and Dottie	Police requested that Cockermouth MRT check areas near to a crashed car at Lorton to ensure there were no missing persons in the vicinity.	Area around car and ghyll sides for 400m was searched to ensure that all persons from the accident had been accounted for.
